Subject : State Domain Beaches, Natanya,

Reference : Your letter No. LD/1/4/(3) of 28.1.44
addressed to D.C. Galilee.

Referring to para. 3 of your letter concerning the lease of parcel 1 of block 8273 I have to observe that Pardess Hagdud Ltd., the lessees of the State Domain abutting this parcel, have carried out certain development work on the land leased to them by Government. On account of the occupation of the land abutting the sea-shore by military camps (Natanya Leave Camp) the promoters have been unable to continue with the development work.

2. It remains to be seen whether this Company will survive after the war, namely after the evacuation of the land by the military. In the meantime I would recommend that parcel 1 of block 8273 should not be leased to any other public body. At present the seashore comprising this parcel is primarily used by the Leave Camp.

Sir,

I have the honour to refer to your letter No.511 of 20.2.44, and to thank you for your suggestions.

2. The period of the lease and the conditions as set out in the draft are not subject to alteration. They were decided upon by Government after careful consideration of all the circumstances. It is precisely because the development of the beach may entail considerable expenditure that a lease of 49 years at a nominal rent is offered. On the other hand there is no obligation on the Local Council to embark on any development unless it appears to them that the expenditure can be amortised during the period of lease.

3. I agree with your suggestion that the period of the agreement should run from 1st April, 1944.

4. I shall be grateful if you will let me know as soon as possible whether the Local Council accepts the offer of a lease on the terms contained in my letter of 28.1.1944 and accompanying draft except that the commencing date will be 1st April, 1944, instead of 1st January, 1944.

TOWNSHIP OF NATHANYA.

20th February, 1944.

Director of Land Settlement,
P.O.Box.189 Jerusalem.

Sir,

I acknowledge with thanks receipt of your letter No.SD/1/4/3 of 28th January, 1944, together with the Form of Agreement regarding the lease of eight parcels of State Domain lands. In this connection I wish to make the following suggestions:-

(a) To the latter part of sub-section (2) of para 2. should be added the words "not without reasonable cause".

(b) In view of the fact that these lands are leased with the object of instituting various developments and ameliorations which entail the investment of large sums of money, it is preferable that the period of the lease should be extended to 99 years.

(c) For convenience sake, it is suggested that the agreement should start as from 1st April, 1944, which is the beginning of the financial year.

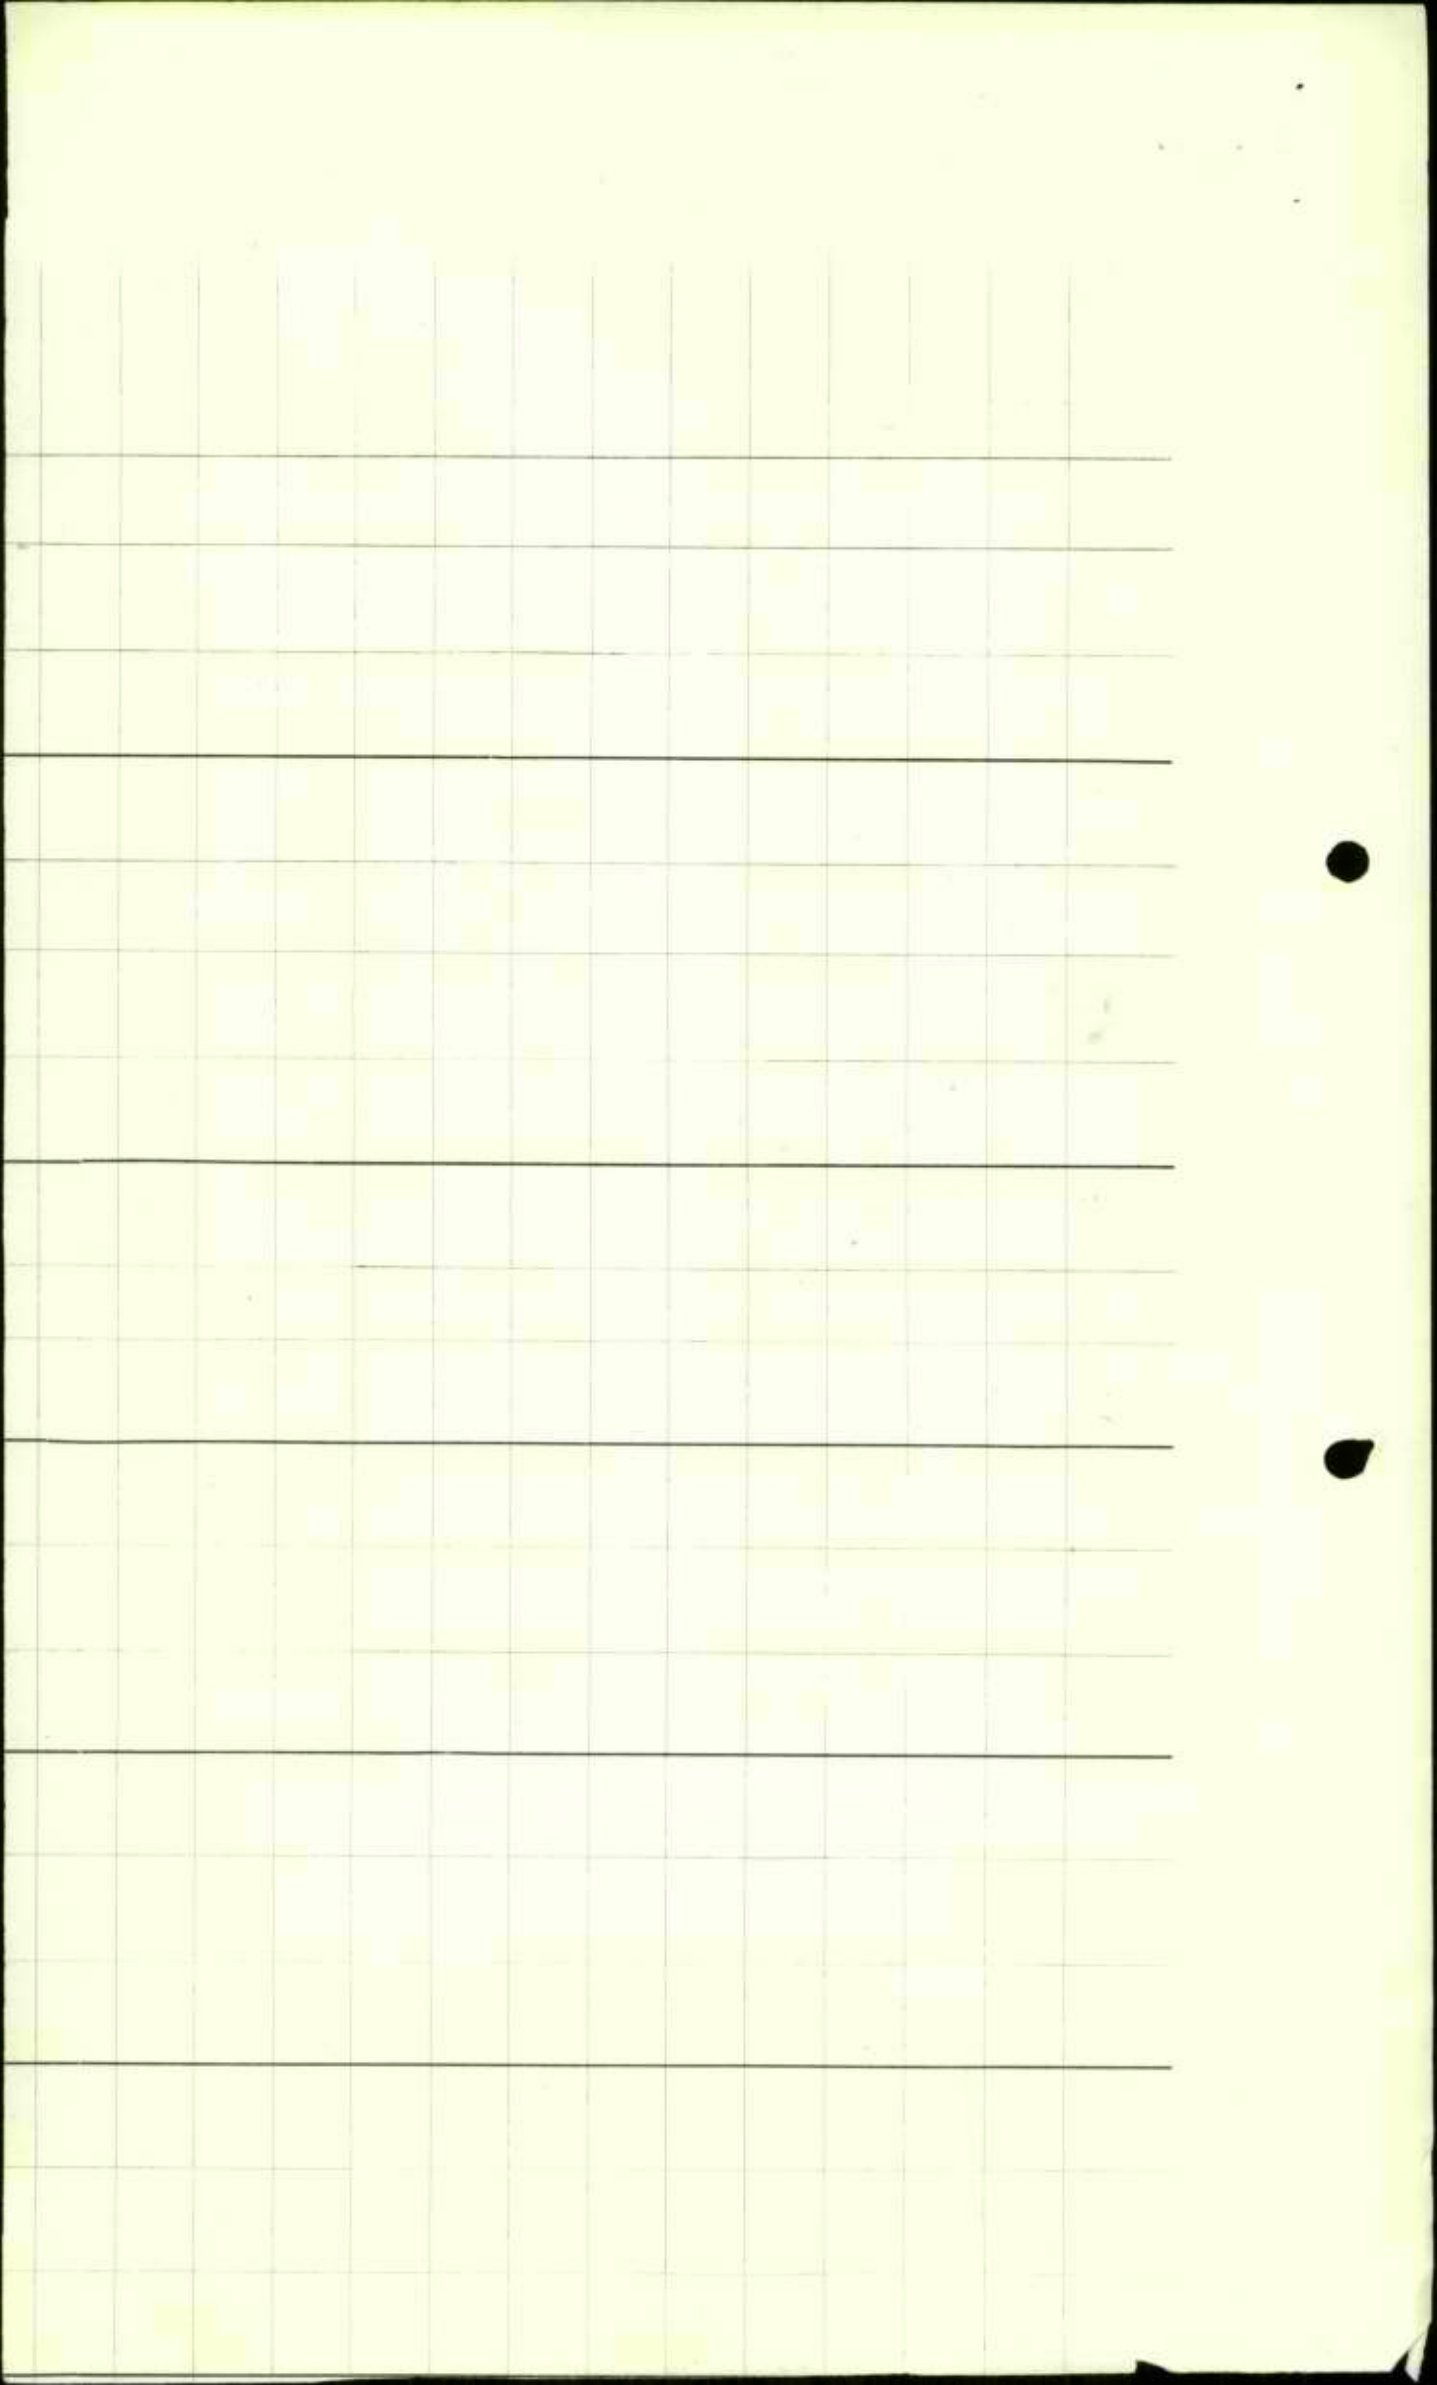

Yours faithfully,

(Sgd)

Sir,

I have the honour to refer to your letter No.1065 dated 7th September 1943 applying for a lease of the State Domain beaches lying between the lands of Nathanya and the Mediterranean Sea.

The lease of the following parcels is agreed to in principle:-

<u>State Domain No.</u>	<u>Block No.</u>	<u>Parcel No.</u>	<u>Area Duns.M2.</u>

" (11)	8262	1	15.330
" (3)	8270	1	42.392
" (2)	8272	1	52.065

I forward herewith the form of the agreement to which I shall be obliged if you will signify your approval when I will arrange for its completion and preparation for signature.

The term of the lease will be 49 years, which I suggest for convenience should start on 1st January, 1944, and the rent will be based on 10 mils per dunum per annum.

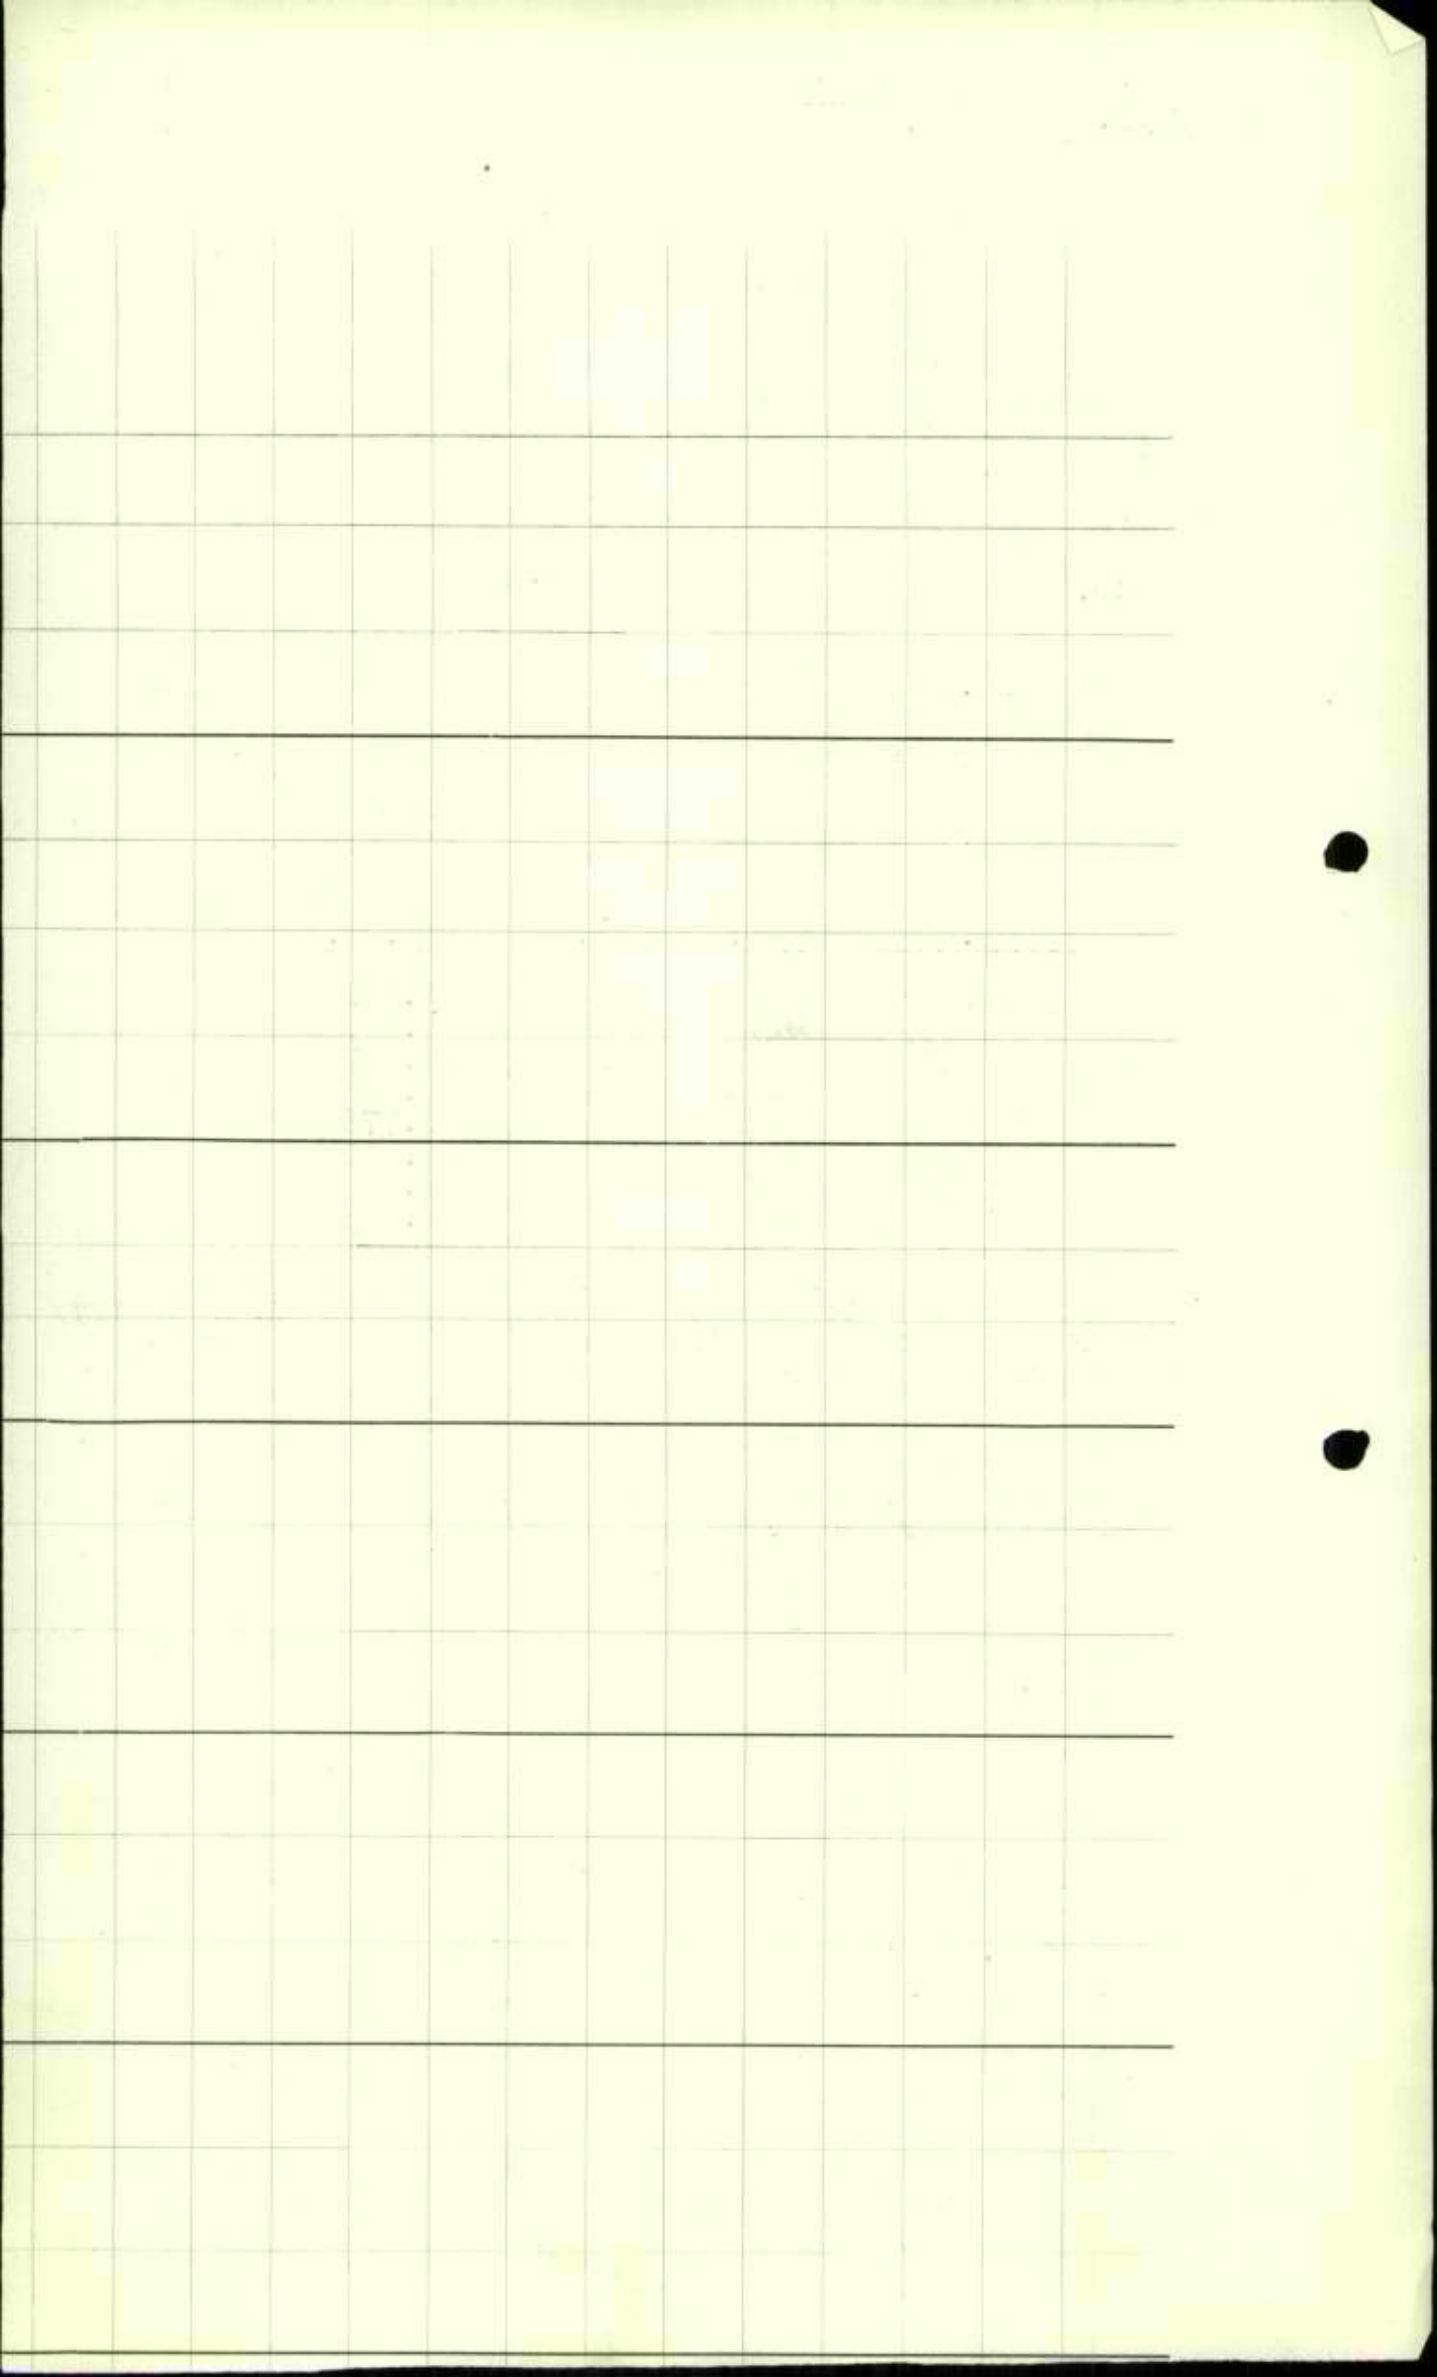

As regards Parcel 1 of Block 8273, the lease to you of this parcel is not agreed to as the abutting parcel is leased on a long-term to Messrs. Pardess Hagdud.

Secretary's letter 1/13/7/37 of 20.1.44) to the lease as recom-

Subject :- Nathanya Sea-shore.

Reference:- Your 816/1 of 29.9.1943.

The State Domain Committee under the chairmanship of Sir D.G.Harris recently considered the disposal of the Nathanya beaches and recommended to Government that all the parcels mentioned in your letter except parcel 1 in block 8273 should be leased to the Local Council. There are special circumstances attaching to parcel 1 in block 8273 and it was recommended that no action should be taken in connection with it for the time being but this does not preclude consideration at a later date of its being leased to the Local Council. A model lease for general application to all beaches was submitted to Government for approval. The model lease enjoins the lessee not to erect any construction upon the beach save in accordance with an approved Town Planning Scheme. No doubt the comments of District Commissioner upon this model lease will be invited by the Chief Secretary in due course.

2. Government's approval of the State Domain Committee's recommendations is awaited.

GOVERNMENT OF PALESTINEDISTRICT COMMISSIONER'S OFFICE
SAMARIA DISTRICT, NABLUS.

29th September, 1943.

Commissioner for Lands and Surveys,
Jerusalem.

I enclose a copy of a letter addressed to me by the President of Nathanya Local Council, applying for the lease to the Local Council of the entire foreshore lying within the town planning area of Nathanya. It will be noted that the Council undertakes not to erect on the foreshore any constructions save by authority of the District Building and Town Planning Commission.

I would observe that the Local Council is maintaining a life saving station on the sea-shore of Nathanya and that from time to time the Council is carrying out works which improve and develop the sea-shore amenities for the benefit of the general public. In addition under the provision of Nathanya Bathing By-laws published in P.G. No. 1100 of 22-5.41 the Local Council is granted authority to supervise the sea-shore in all matters pertaining to bathing facilities and to maintenance of order on the beach.

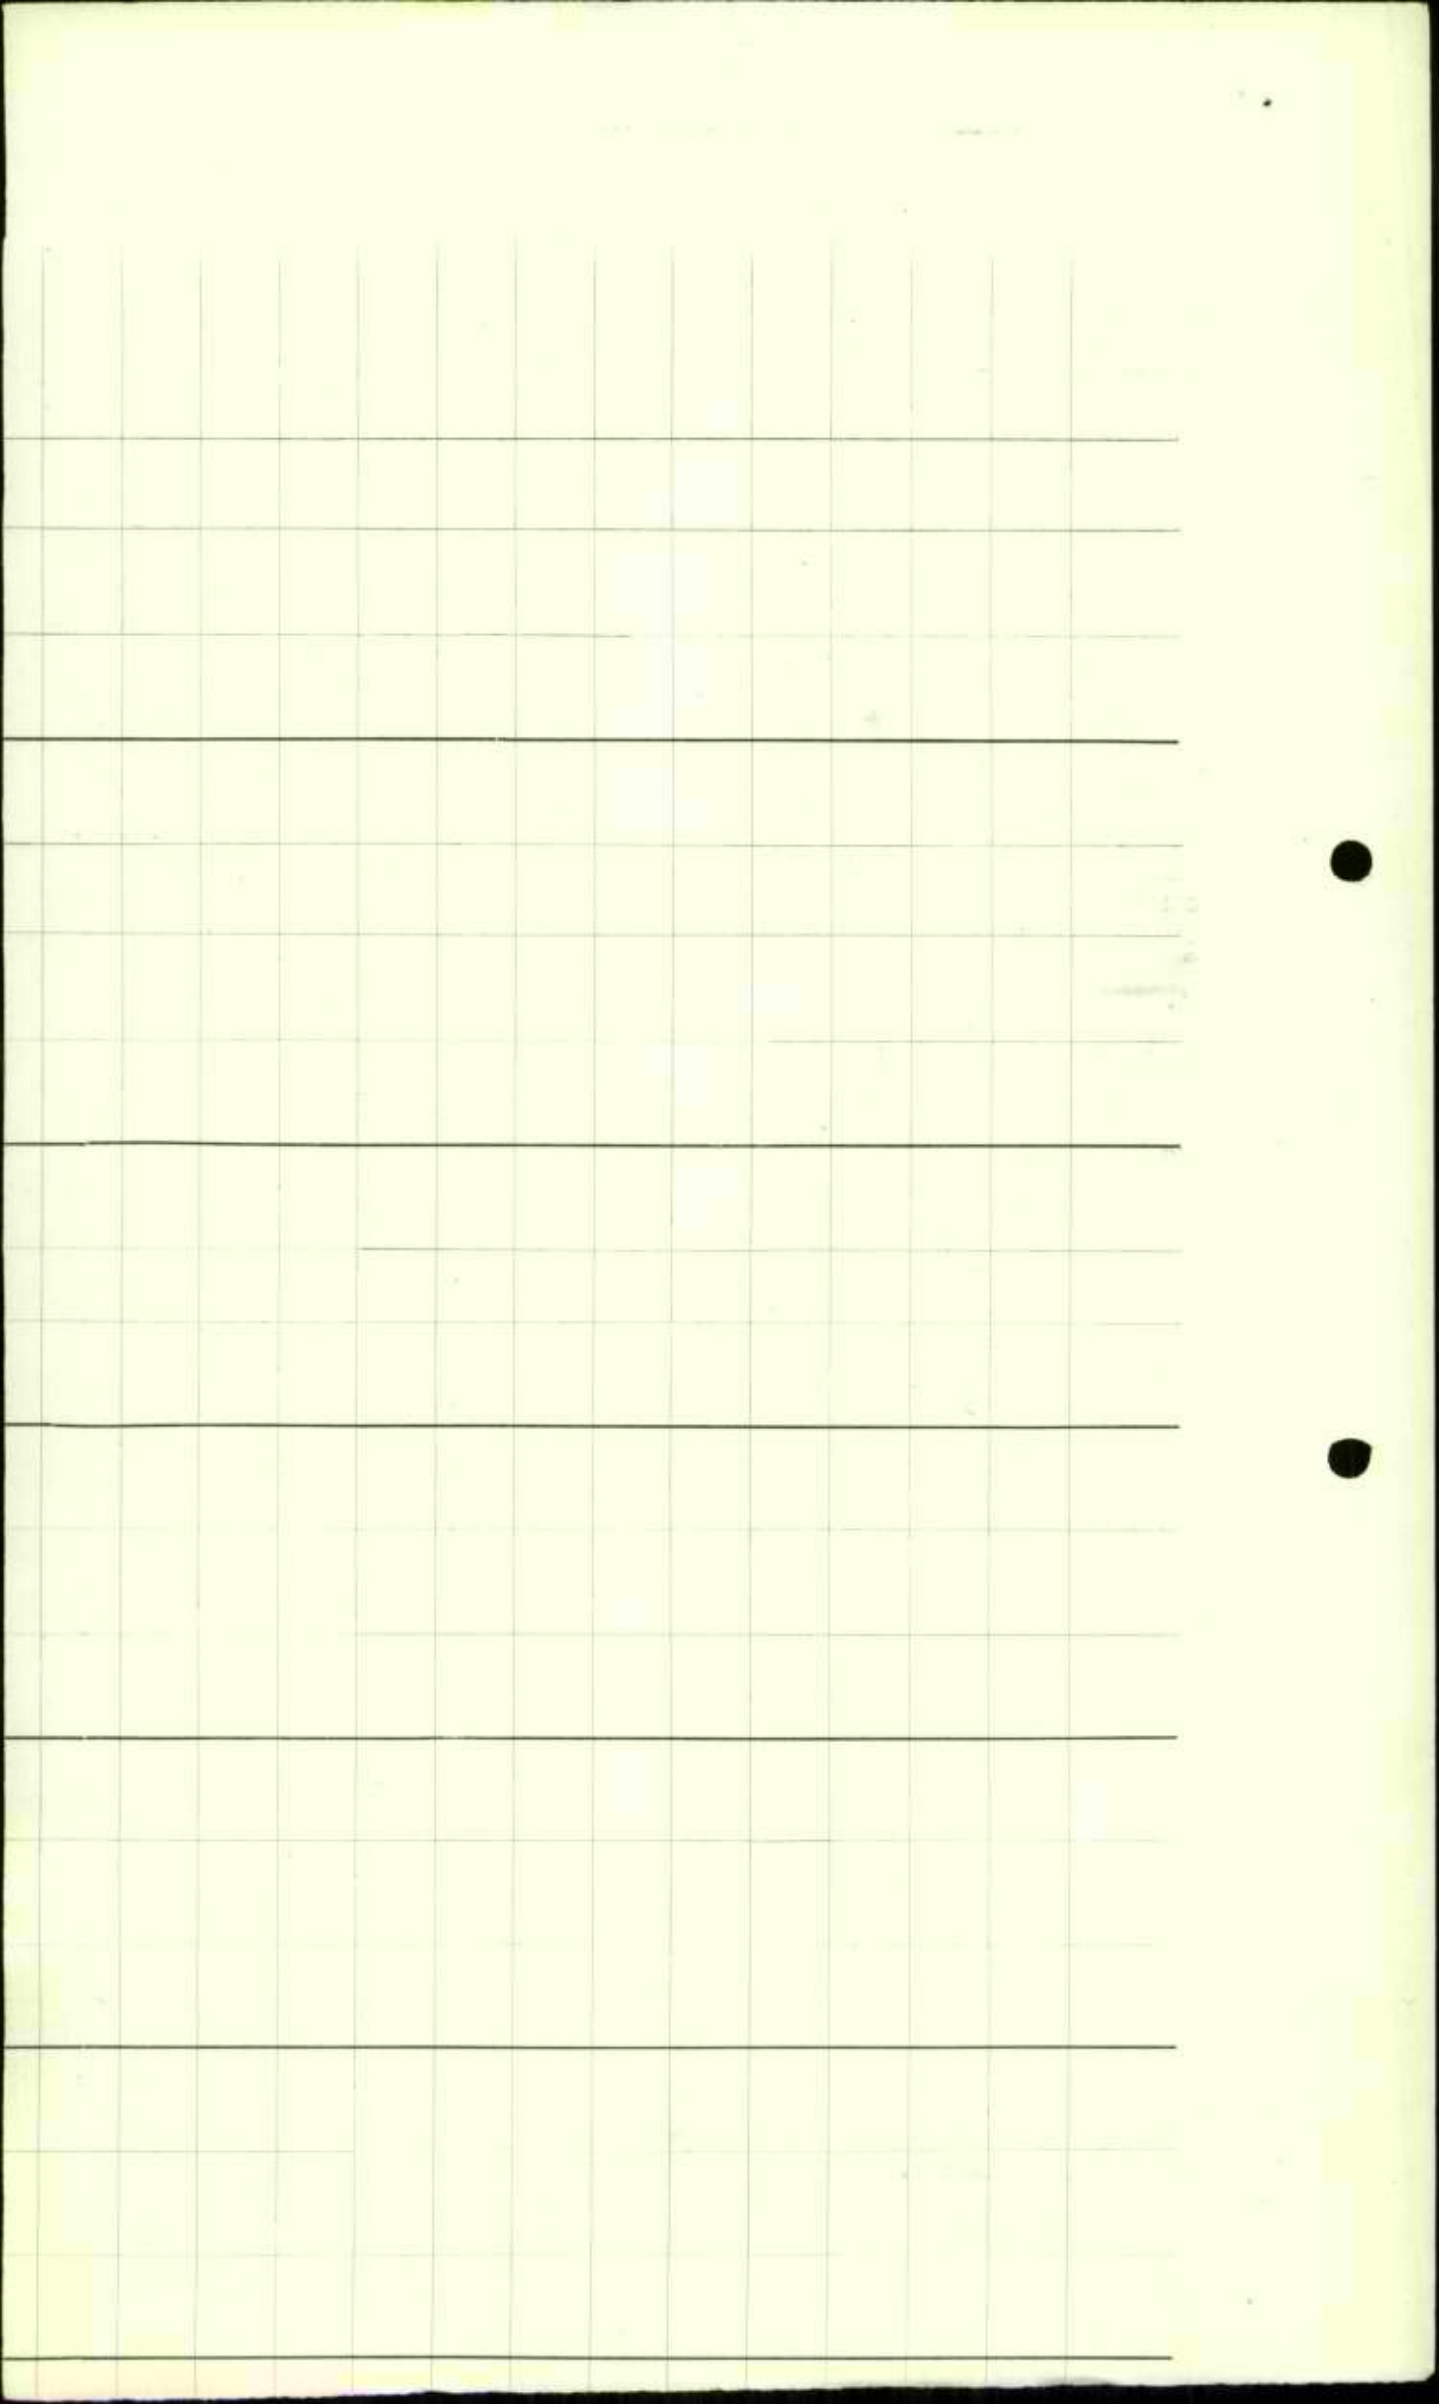

2. I am inclined to recommend the lease of this State Domain put before putting up the matter to the Chief Secretary I should be grateful for your views and those of the Town Planning Adviser to whom I am sending a copy of this letter. The Block and Parcel numbers are as follows:-

Thro' Asst. District Commissioner,

Dear Sir,

With approaching settlement of the problem of ownership of public properties in Nathanya it becomes necessary to secure for the public the use of the Nathanya foreshore registered in the name of H.E. the High Commissioner.

2. The future of Nathanya is connected a great deal with the development of the sea-shore facilities. This could and should be done for the general benefit of the public through the medium of the Local Council.

3. I apply, therefore, on behalf of the Council for a lease from Government of the area of the foreshore situated within the town planning area of Nathanya as described in the attached list.

4. We agree to the inclusion of a special condition in the lease agreement forbidding the Local Council to construct or to grant permission for the construction of any type of building without first obtaining authority from the Samaria District Building and Town Planning Commission.

Hoping to get your support in the matter.

The Settlement of Maabaroth was the only bidder in respect of GP/5/54 (4). The rent offered by them is -.300 mils per year in respect of the entire plot. The offer reached my office on 19.11.40.

2. There were no offers in respect of GP/5/28(2). The Mukhtar states that the reasons are the outlying position of the land and its very small area.
